By: Erica Noggle

[Paulding, OH] — The Paulding County Area Foundation is thrilled to announce its participation in Giving Tuesday, a global day of generosity that encourages individuals, businesses, and communities to come together and support local causes. To mark this special occasion, the Foundation is launching a matching campaign, pledging to match donations dollar-for-dollar, up to a total of \$10,000.

This unique opportunity allows members of the community to maximize the impact of their contributions. For every dollar donated, the Paulding County Area Foundation will contribute an additional dollar, effectively doubling the support for local initiatives and projects.

Key Details of the Matching Campaign:

- Matching Limit: Up to \$10,000
- Maximum Match per Donation: \$1,000

The Foundation recognizes the importance of community involvement and aims to foster a spirit of philanthropy during this holiday season. By participating in the Giving Tuesday campaign, donors have the opportunity to make a significant impact on the well-being of Paulding County and contribute to the growth and success of local programs.
